

ARMOR
MOBILE SYSTEMS

Premier Series Health Coaches

Why Choose Armor for Your New Coach?

- Our 10 year structural warranty leads the industry
- We have over 25 years of mobile medical knowledge and experience
- We manufacture the coach from the chassis up; no pre-fab bodies or shells
- Durable welded aluminum tubular construction
- Our rivetless aluminum exterior is attractive, strong, and moisture-free
- We have our own dedicated 24/7 service department and extensive service network
- Proudly made in USA
- More than 100 years of combined staff industry experience

Coaches are Equipped with Standard:

- Heavy-duty Freightliner commercial chassis
- Cummins diesel engine
- Air-ride suspension provides comfort and equipment protection
- Automatic leveling system for quick and safe setup
- 4-ton central air/heating system for efficiency and comfort
- On-board diesel generator for full off-site operation
- Full ABS air-brake system
- Power driver's seat, mirrors, sun visors, and more
- LED headlights
